

MENU SPA

spring-summer 2026

tea leaf

A revitalising body ritual with an intensive sea salt peeling that provides a draining and hydrating effect. A rich warming mask containing green tea and citrus fruits helps detoxify the body. A massage performed with a nourishing balm enriched with hemp extract soothes even the most demanding skin.

Duration: 90 minutes **Price:** 410 PLN

fruit sorbet

A relaxing full-body ritual beginning with a sugar scrub scented with tropical strawberry and enriched with natural shea butter. It gently envelops the skin, smooths it and restores its elasticity. A massage performed with a nourishing and hydrating cream with a berry fruit aroma brings a blissful summer mood, reducing stress and allowing the body to fully relax.

Duration: 60 minutes **Price:** 280 PLN

power oxygen

A treatment that protects, strengthens and oxygenates skin exposed to harsh weather conditions and urban pollution. A carefully selected complex of active ingredients oxygenates skin cells and supports the natural bacterial flora of the epidermis.

Duration: 60 minutes **Price:** 300 PLN

full radiance

A unique facial treatment individually tailored to the needs of the skin. Based on exclusive Spanish cosmetics with a high concentration of active ingredients, the treatment leaves the skin deeply regenerated and nourished.

Duration: 60 minutes **Price:** 320 PLN

** needle-free mesotherapy with LED Light*

A modern, non-invasive treatment revitalising the skin of the face, neck and décolleté. Thanks to electroporation technology, active ingredients are delivered deep into the skin without the use of needles, ensuring intense hydration, smoothing and improved skin firmness. The treatment is enhanced with LED light therapy, which supports regeneration, brightens the complexion and intensifies skincare effects.

***Mesotherapy is performed only as an addition to facial treatments.**

Duration: 20 minutes **Price:** 140 PLN
